No. C.1025 of 22-23 Office of the Muzrai Commissioner in Mysore.

Dated Bangalore, 13th August 1924.

From

K. Chandy, Esquire., B.A.,

Muzrai Commissioner in Mysore,

Bangalore.

To

K. V. Anantaraman, Esquire., B.A.,

Secretary to the Government of

His Highness the Maharaja of Mysore,

Revenue Department.

With reference to your letter No.2091/Muz.302-22-2 dated 16th January 1923 addressed to the President District Board Kolar District re the improvement of water supply at Chikka Tirupathi, I have the honor to submit herewith correspondence ending with letter No.R.O.C. 955/22-23 dated 15th July 1924 (copy enclosed) from the Deputy Commissioner Kolar District and to state that the matter was discussed in the District Board meeting held 21st September 1923 and it was -- resolved that the cost should be met from the temple funds.

2. The Deputy Commissioner has submitted two estimates aggregating Rs.5820/- one for Rs.3450/- for repairing the Gajendramoksha kunte and another for Rs.2370/- for the repairs of the approach road.leading to the temple prepared and scrtinized by the Executive Engineer Kolar --- Division and proposes to meet the cost from the sum of Rs.13,120-13-6 said to be available at the credit of the temple as per Taluk accounts. But in reply to a reference from this office the Comptroller has stated that only a sum of Rs.444 and odd was available at the credit of the - institution on 30th June 1923. Till the statement of cash balances -- of individual institutions (now under preparation and scrutiny in the Comptroller's office) is published, it is not possible to undertake -- any works of a costly nature such as those for which estimates have now been prepared, relying on the figures furnished by the Taluk office.

3. The Deputy Commissioner submitted separately a completion plan for Rs.1514-9-1 for repairing a well in the temple premises for which

work

work an estimate was sanctioned by Government in their order No.1 Muz.739-21-2 dated 13th July 1922. From this it may be inferred that water difficulty has been alleviated to a certain extent.

4. In these circumstances, I beg to suggest that the sanction of the estimates now prepared can be taken into consideration after the actual balance is finally known.

I have the honor to be,

Sir,

Your most obedient servant,

Muzral Commissioner.

Letter No.R.O.C.955/22-23 dated 15th July 1924 from the Deputy Commissioner, Kolar District to the Muzrai Commissioner in Mysore.

"With reference to your letter No.C.1025/22-23 dated 26-2-24, regarding the verification of the balance available at the credit of the Sri Venkataramanaswami temple at Chik Tirupathi, in Malur Taluk, I have the honor to forward herewith the entire correspondence ending -- with Malur Taluk Amildar's report No.444/23-24 dated 25-6-1924 together with a tabular statement showing the receipts and the expenditure --- during the past 10 years from 12-13 to the end of the year 21-22 and to state that according to his report it is seen that the balance ---- available at the credit of the institution is Rs.13,120-13-6.

But it is not known whether any amount out of this sum, had been invested in the State or other loans since the year 21-22. The matter has to be ascertained from the Comptroller in Mysore. Moreover the correct balance of the institution has to be definitely announced by the Special Muzrai Officer who appears to be auditing the old --- accounts of the several institutions."
